

Become a Friend of the Museum

■ **The Housatonic Museum of Art (HMA), one of the premier college art collections in the United States, invites you to become a friend of the museum and to participate in the programs, exhibitions and events offered throughout the year.**

The HMA also provides an opportunity for individuals and businesses to participate in the care and restoration of important works of art through our Adopt-A-Painting Program.

The HMA collection offers students and the community alike an opportunity to view works that span the history of art from the ancient to the contemporary. Unique to the Housatonic Community College campus, this permanent collection is on continuous display throughout the 300,000 square foot facility, offering a rare opportunity to learn about art on a daily basis.

In addition, the HMA organizes changing exhibitions, featuring local, national and international artists of acclaim in the Burt Chernow Galleries.
