Parking Regulations:

Students who wish to use the Housatonic Community College Parking Facility should be aware of the rules and regulations of the garage.

- Any student wanting a parking hangtag must provide the garage attendant with a current motor vehicle registration and show they are currently a student at HCC. The hangtags, issued at the beginning of the fall semester are good for one year. If a student has more than one vehicle, information on all vehicles must be provided at the time of registration. The hangtags must be displayed any time the student parks his/her vehicle in the area designated for **student parking**. Any student vehicle found parked in the Faculty/Staff parking area will be ticketed and is subject to tow. Any student attempting to use the parking garage without a hangtag will be stopped and asked to register his/her vehicle.
- Students can only utilize the parking garage while on campus attending class, using the library, the computer labs, and for Housatonic sponsored trips or events.
- The speed limit in the parking garage is **5 miles per hour**. The speed limit is strictly enforced.
- Parking in the Housatonic Parking Facility is **AT YOUR OWN RISK**. The college is not responsible for damage or theft of any vehicle. The garage is patrolled by security during hours of operation.
- Any violations of these rules and regulations can result in loss of parking privileges.
